

To our Louisiana Athletic Club Family:

In the interest of public health and out of an abundance of caution, we have made the difficult decision in collaboration with a number of health officials, to temporarily take a pause from our workouts and for the time, close Louisiana Athletic Club to the public, effective March 18th. This is a decision that has not been made lightly but is one we feel is in keeping with Governor Edward's directive regarding containment of the COVID-19 spread and social distancing.

As a health care and wellness leader it is important we lead the way in being proactive to prevent the spread of the virus. We are proud of our facilities. They are state-of-the-art, lean, transformative and just generally amazing place to belong to. We'll be monitoring the evolving situation daily in an effort to reopen as soon as we can. However, we want to do everything in our power to keep the people we love safe and therefore must pause for a while. Thank you for your understanding during this national pandemic.

Follow our Facebook page and download the Louisiana Athletic Club app for prompt notifications on updates and some exercises you can implement at home. We want to thank you for your patience and understanding during this time. We know that during difficult circumstances, not having the option for daily exercise at your fitness center is an added stressor. We want to assure you that we are constantly evaluating the situation, and as soon as the state and local government feels that we are safe to open for business, we will open our doors.

In the meantime, many of you have asked us questions about membership payments and refunds. Our current plan is to put all accounts on hold, meaning no one will be charged or billed at this time. We anticipate reopening April 13th, and we are waiving April's membership fees entirely.

As you know, this is a quickly evolving situation. If we are not able to reopen on April 13, we will notify you of the new plan. Thank you for your continued patience and understanding. We look forward to seeing you again soon!

- Your Athletic Club Family
